NYNY

DESIGN STORAGE MILANO, 2020

NYNY ist eine Familie von Schränken, die aus einem vertikalen Schrank mit einer totemistischen Seele, einem Buffet mit horizontaler Entwicklung und einer Kommode besteht. Jeder besteht aus vier, sechs bzw. zwei Modulen, die aus lackiertem Holz mit dekorativen Elementen aus Wiener Geflecht hergestellt sind. Die Module sind dank der an der Wand zu befestigenden Metallstruktur mit satiniertem Messing-Ausführung aufgehängt.

NYNY è una famiglia di contenitori formata da un mobile verticale dall'animo totemico, una madia a sviluppo orizzontale ed una cassettiera. Ognuno è rispettivamente composto da quattro, sei e due moduli, realizzati in legno laccato con elementi decorativi in paglia di Vienna. I moduli sono sospesi grazie ad una struttura in metallo, con finitura in ottone satinato, da fissare a parete.

NYNY is a family of storage units composed by a vertical container with a totemic spirit, an horizontal sideboard and a chest of drawers. Each piece of furniture is respectively made up of four, six and two modules in lacquered wood with decorative elements in woven cane. The modules are suspended thanks to the metal structure, with satin brass finish, to be fixed to the wall.

NYNY est une famille de meubles de rangement composée d'un meuble vertical à l'âme totemique, d'un buffet à développement horizontal et d'une commode. Chacun est respectivement composé de quatre, six et deux modules, en bois laqué avec éléments décoratifs en paille de Vienne. Les modules sont suspendus grâce à une structure métallique, finition laiton satiné, à fixer au mur.

NYNY es una familia de contenedores formada por un mueble vertical con alma totémica, un aparador con forma horizontal y una cómoda. Cada uno está compuesto respectivamente por cuatro, seis y dos módulos, fabricados en madera lacada con elementos decorativos en paja de Viena. Los módulos están suspendidos gracias a una estructura metálica, con acabado en latón satinado, que se fija a la pared.
