

# LINESCAPES FLOOR

Una linea di luce chiara e solida caratterizza un classico nel panorama dell'illuminazione mondiale: Linescapes floor ha una struttura in estruso di alluminio e un diffusore in policarbonato bianco, nero e oro romano. Ispirato a un progetto speciale per una collezione privata di arte contemporanea.

# LED 2700K

## LAMPING

|                   |                                    |
|-------------------|------------------------------------|
| Source            | linear LED                         |
| Total power       | 42W                                |
| Emission          | diffused                           |
| Switching         | dimmable                           |
| Tension           | 110/240V                           |
| Color temperature | 2700K                              |
| Luminous flux     | 2050lm                             |
| Typ CRI           | 85                                 |
| Materials         | Aluminium + PC + ABS               |
| Notes             | dimmer on cable, cable length 2,5m |
| Net lamp weight   | 8,9 kg                             |
